

Be So Bold

words and music ©2005 Marius McKee

How could you say that to me?
How could you be so bold?
As to insult me by not being there
Leave me out in the cold

refrain

How do you say or think these thoughts
And how dare you speak your mind
You don't care you're so unkind
You don't care you're so unkind

Pretend you're leaving my life
And then wafting back into view
Pretender says that nothing happened
But that pretender is you

refrain

You don't know, how I feel
You can't tell what is wrong and what is real
And I know I'm vulnerable too
I'm vulnerable to your whims
You don't make it easier
Is it me or is it him? (is it? is it? is it?)

refrain
